Model Name: AVOCA

Construction

Additional Comments

COVER TYPE: LEATHER
COVER DESCRIPTION & OPTIONS:
CAT C = Performance Leather
FRAME: Pinewood & Plywood
BACK CUSHION: PU Foam with Polyester Fibre
SEAT CUSHION: Pocketed coil spring & PU foam with polyester fibre
SEAT SUSPENSION: Individually pocketed coil spring with no sag spring and polyester fibre

PLEASE NOTE:

1) For configurations CED & CEL (ELE-3S2M-DCON / ELE-3S2M-LCON) - the back width is longer than the front width, because of the shape of console (272cm at the front, 285 at the back, 13cm difference).
Please remember this when you measure the lounge, if you add a console in the middle.

2) The "gaslift" on the console has now been adjusted to a SLOW-SHUTTING motion.
Although the floorstock model doesn't show this, any new orders will have this change applied to it.
