Please Note: Dimensions quoted on this document are approximate and may vary slightly from the actual product  
All diagrams on the sheet are only provided as an approximate representation of the footprint of the lounge and are in no way intended to represent the actual shape of the lounge.

**Construction**

**Additional Comments**

COVER TYPE: LEATHER  
COVER DESCRIPTION: CAT K = Vintage Leather  
FRAME: Timber  
BACK CUSHION: Foam + Fiber  
SEAT CUSHION: Foam + Fiber  
BASE SUSPENSION: Webbing + Spring  
LEG: Timber

**PLEASE NOTE:**  
The vintage leather used on this lounge is a top-grain leather that is very unique. Every piece will have different markings and colour variations. Scars, creases and wrinkles are a normal characteristic of this leather showing the natural characteristics of the hides – that is the beauty of this leather!  
This leather easily marks with use – the scars, scratches and wrinkles occur naturally on the leather hides, which show through the finish during the aniline dyeing process. This is a normal characteristic of aniline leather and not considered a defect. This adds to the beauty of its “rustic” look. Generally, rubbing the surface scratches with your finger, releases the natural oil, which blends away the marks and makes them less pronounced.  
Regular maintenance is important:  
- Dust gently with a soft cloth to keep it free of surface dirt  
- Soiling can be wiped with a clean damp cloth  
- Do not soak, vigorously rub the leather or use the detergent on it  
- After cleaning, wipe with a dry cloth  
- Keep out of direct sunlight to avoid colour fading  
- Do not place hot objects onto the sofa
